

About Us

Foy Dental Care is a comprehensive family practice offering a variety of restorative dentistry, while also focusing on cosmetic dentistry. We have a comprehensive hygiene program that not only provides cleanings but periodontal (gum) treatment when necessary. For those patients needing extensive dental procedures, Dr. Foy can provide dentistry in a relaxed environment, keeping the patient comfortable through oral conscious sedation.

Our office hours are by appointment only. We are open Monday and Tuesday from 7:00 am until 4:00 pm; Wednesday from 8:00 am until 5:00 pm; Thursday from 7:00 am until 4:00 pm and Friday from 8:00 am until 12:00 pm. We are available after hours to patients of record who have dental emergencies. To contact us after hours please call 334.201.8000. If you have to leave a message, a staff member will return your call. In the event you cannot reach us, or you need further medical assistance, please visit a local Pri-med facility. The following link will give you the closest location as well as phone numbers
